

WORLD-CLASS BAND CLAMPING SOLUTIONS

B-Tec Innovations

B-Tec Innovations is a leading manufacturer of band clamping systems with manufacturing facility in Bangalore, India.

Our focus is always excellence in quality of products, dedication in service to our customers. With this target in mind, we have developed a complete cross section of product line that includes Stainless Steel Cable Ties, Bands, Banding accessories, Industrial identification Tags, Band strapping Tools etc.

Our Engineers & Technicians are well trained to ensure quality and consistency. We make sure that, any product before reaching to our customers, go through a strict quality check by our Inspection Engineers. We strive to exceed customers' expectations by providing quick response to all enquiries, technically competent product recommendations, competitive pricing and on time delivery performance.

Vision

To provide innovative and cost-effective products to our customers adapting latest technology and excellent services.

Mission

- Our mission is to become a leading global manufacturer and solution provider of clamping systems through excellence in customer service and by identifying and solving application problems with differentiated product solutions.
- As a socially responsible company we will ensure that:
 - ◆ All our products are more efficient and environment friendly.
 - ◆ The quality of our products and services are the best to offer maximum uptime to customers.

INDEX

Stainless Steel Cable Ties	Roller Ball Lock Ties Grade 304, Uncoated	6
	Roller Ball Lock Ties Grade 316, Uncoated	7
	Roller Ball Lock Ties Grade 304, Polyester Fully Coated	8
	Roller Ball Lock Ties Grade 316, Polyester Fully Coated	9
	Multilock Ties Grade 316, Uncoated / Stainless Steel Grade 316, Polyester Coated ..	11
	Releasable Ties Grade 316, Polyester Coated/Grade 316, Uncoated	13
Band and Buckle Systems	Stainless Steel Band Grade 201 / Band Grade 304	15
	Stainless Steel Uncoated Band Grade 316 / PPA Coated Grade 304	16
	Stainless Steel PPA Coated Band Grade 316 / PVC Coated Grade 316	17
	General Purpose Binding Strap	18
	Bands for Insulation Application/Buckles	18-19
	Wing Seal Clip	20
	Crimp Seal	21
	Pre-fit Coated Stainless Steel Band	22
	Pre-fit Uncoated Stainless Steel Band	23
Make your own Pre-fit Band	24	
ID Tag System	Industrial Identification Tags	25
	Easy Reader Stainless Steel Markers	26
	Easy Reader Carriers	27
Metal ID Tag Machines		28
Hand Tools		29
Hand Tools/Accessories		30
Material Data sheet		31
Technical Notes		32-34

APPLICATIONS

- Cable Bundling
- Junction Boxes, Camera and Equipment Mounting on Poles
- Sign Boards & Signal Mounting
- Hose Clamping
- Cable, Pipe, Valve and Equipment Identification
- Thermal / Acoustics Insulation Banding
- Undersea Cable / Pipe bundling
- General Clamping / Fastening
- Cooling Tower Application
